The applicant investor acknowledges the following:

As defined in the Code, an "**Eligible investor**" means an individual subject to the tax imposed by §58.1-320 (a Virginia tax payer). The term shall not include an individual who engages in the business of making debt or equity investments in private businesses, or to any person that would be allocated a portion of the grant under this section as a partner, shareholder, member or owner of an entity that engages in such business.

"Qualified Investment" means a cash investment in a qualified business in the form of equity or subordinated debt. However, an investment shall not be qualified if the taxpayer who holds such investment, or any of the taxpayer's family members, or any entity affiliated with such taxpayer, receives or has received compensation from the qualified business in exchange for services provided to such business as an employee, officer, director, manager, independent contractor, or otherwise in connection with or within one year before or after the date of such investment."

A cash equity investment must be held by the investor for a minimum of **two** years to qualify for the grant. If an investor takes their qualified investment out of the business, the business owner **and** the investor must notify the VSBFA in writing within 30 days of such action.

The Investor acknowledges that unless one or more of the following occurs, the equity must be invested for no less than two years or the investor shall forfeit the grant and shall pay the VSBFA interest on the total allowed grant at the rate of 1% (one percent) per month, compounded monthly, from the date the grant was awarded to the taxpayer. The only exceptions are 1) the liquidation of the small business issuing such equity, 2) the merger, consolidation, or other acquisition of such business with or by a party not affiliated with such business; or 3) the death of the eligible investor.

"Subordinated Debt" means indebtedness that i) by its terms required no repayment of principal for the first **three** years after issuance, ii) is not guaranteed by any other person or secured by any assets of the issuer or any other person, and iii) is subordinated to all indebtedness and obligations of the issuer to national or state-chartered banking and savings and loan institutions.

If any of the above conditions for the Subordinated Debt are not met and maintained for the full three years, the business owner and the investor/creditor must notify the VSBFA in writing within 30 days of such violation.

The undersigned further acknowledges that all obligations evidenced by this Application and Certification are subject to collection pursuant to the Set-Off Debt Collection Program as authorized under the Virginia Debt Collection Act (§§ 58.1-520 through 58.1-535 of the Code of Virginia).
