

VIRGINIA STATE SMALL BUSINESS CREDIT INITIATIVE

Cash Collateral Program

The Virginia Small Business Financing Authority's (VSBFA) *Cash Collateral Program* (CCP) is designed to help Virginia's small businesses obtain the funds to start, enhance, or expand their operations and thereby create new jobs for citizens of the Commonwealth. General Instructions

Businesses should apply to commercial banks for their financing need. The bank determines if VSBFA participation is needed for their approval. The lender is encouraged to call the VSBFA to discuss the transaction. VSBFA approves or declines the participation within a week of receiving all required application information. Loan closings for approved requests are scheduled by the bank and documented using their normal procedures and forms.

In considering whether to provide cash collateral support for a bank's loan; the VSBFA assesses the company's ability to repay the loan, the experience of the company's management and the adequacy of the collateral available to secure the loan. Although there is no specific job creation requirement under the program, VSBFA also considers the economic impact and job creation and/or retention resulting from the financing.
