

VIRTUAL OUTREACH EVENT

495 Express Lanes Northern Extension (NEXT)

This project is an extension of the 495 HOV/HOT Lanes (Express Lanes) in Fairfax County, Virginia. The project will extend along Interstate 495 (I-495) from the current northern terminus of the 495 Express Lanes near Old Dominion Drive (Route 738) to the vicinity of the George Washington Memorial Parkway (GWMP), and includes improvements to the Dulles Toll Road, Georgetown Pike and GWMP interchanges, existing bridges and the General Purpose lanes. I-495 currently operates with four General Purpose lanes in each direction along the project corridor.

There is a 15% DBE goal and a 25% SWaM goal for this project.
