## SOURCING AND COMPLIANCE

*Maximizing the utilization of  
SWaM certified businesses.*

**01**

Collaborate with procurement officials in the Commonwealth to strategically source small, women, and minority (SWaM) participation on large contracts.

**02**

Collaborate with executive branch agencies that have high dollar procurement opportunities for strategic sourcing support of SWaM participation.

**03**

Develop and implement a uniform, statewide method for setting and evaluating SWaM goals.

**05**

Develop and conduct annual procurement reporting best practices and efficiency trainings for agency heads, presidents of institutions of higher education, and senior managers with procurement oversight.

**04**

Develop and implement a uniform, statewide method for evaluating and monitoring SWaM participation plans.
