In compliance with the Federal Regulations, 49 CFR Part 26, the Airport is in the process of developing its FY 2021 – FY 2023 Disadvantaged Business Enterprise (DBE) program goal update.

We are soliciting input and feedback from representatives, minority and women-owned businesses to assist the Airport in the establishment of its DBE goal. We invite you to participate in a meeting to discuss the proposed goals, as well as the availability of potential DBEs at the Norfolk International Airport, opportunities for DBEs, and the Airport's effort to increase DBE participation.

We sincerely hope that you or your representative will attend this meeting to assist the Airport in our ongoing efforts to implement an effective DBE program.
